

## ***02/15/2026 Meeting Recap***

Participants: Lea, Alex, Zack, Jr, Shashwat, Alec (remotely)

Meeting Place: Zoom

We discussed the following:

General Updates:

- We discussed about the exam that happened on Tuesday
- I will coordinate with Professor Saiedian or one of the TAs regarding our upcoming meetings and update you all soon.

Project Plan:

- Section 3 - Zackary
- Section 4 - Shashwat
- Section 5 - Jr.
- Reviewing and editing the document is open to the whole group.

Note: I am planning on submitting it on Friday, so please go through the document and make sure it sounds right and that we all agree on the content.

Homework:

- Please review the basics of C++ so we are all prepared for the project.

Next meeting:

- Sunday, February 22, 2026 @ 4pm

Meeting links will be posted in the group chat by Saturday.
